Hi! My name is Lauri Fuller and I am going to be your 4th grade Teacher this year. This will be my second year teaching fourth grade, and my 21st year teaching in all. I am looking forward to fourth grade and all the exploring, learning, and fun we will have!

Just a little about me: My husband and I just celebrated our sixth anniversary. We love to fish, trail ride in our UTV, and racing. We weren't blessed with children, but we have 4 dogs and two cats. We like to travel to dirt tracks, lakes, and anywhere we can ride!

I can't wait to spend the next year learning and growing with you!
Hello!! I am Mrs. Welton and I couldn't be happier to be sharing this school year with all of you! A few things about me: My husband and I have been married 9 years. Together we have nine kids, one dog and one cat. We are quite the crazy bus! I love to read, do anything outdoors, and binge watch Netflix! School is different than we have ever seen, and I know we will be stronger than ever as we grow and adapt to all of these changes as a 4th grade family. I cannot wait to learn about all of you.
Hey Y'all! Despite all that is going on, I am so excited to have you in our fourth grade classrooms! This is my second year teaching at Blanton Elementary, but my first year teaching fourth grade! A little about me: I have two German Shepherds named Odin and Panda. I have two nieces and a nephew that I love so much! When I am not a school, I enjoy reading, spending time with family, and hiking. Looking forward to meeting you all!
