

## Accuplacer/TSI Account Instructions

1. <https://accuplacerpractice.collegeboard.org/login>
2. New Students to Accuplacer will create an Accuplacer Account
  - a. Create an account using any email address. Your institution may provide recognition for your practice so consider registering with your school email address. The student will be required to enter this information each time the student logs in to access the ACCUPLACER practice tests.
  - b. Create a password. Passwords must be a minimum of 6 characters in length and contain all of the following.
    - i. at least one numeric character
    - ii. at least one uppercase character
    - iii. at least one lowercase character
    - iv. at least one symbol character
      1. Example- Permian@20
  - c. Once the account has been successfully created the student will login as a returning student using the email and password that the student created.
3. Returning Students will login on with the email and password the student created the first time accessing Accuplacer.
4. Once the student has logged in the student will see a Welcome to Accuplacer Practice Web Application. Select the Application you would like to view and then take the appropriate practice test.
  - a. Students will select Texas Success Initiative (TSI) Practice Tests and then save.
5. Select a TSI Test to Begin practicing. We recommend students to select the Learn as You Go before taking a practice test.
6. Students may log out or log in at any time by using their account email and password.

For questions and/or concerns, please contact the student's Alpha-Den Counselor at their designated school.
