

Important Notice 1-1-2021

SPECIAL ENROLLMENT PROVISIONS

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program) If you are declining enrollment for yourself or your eligible dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if you move out of an HMO service area, or the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after you or your dependents' other coverage ends (or move out of the prior plan's HMO service area, or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after you or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for State Premium Assistance for Enrollees of Medicaid or a State Children's Health Insurance Program

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after you or your dependents' determination of eligibility for such assistance. You or your spouse or dependents may also have special enrollment rights in another group health plan at the time a claim is denied as a result of a lifetime limit on all benefits, if you request enrollment within 30 days after the claim has been denied.
