Dear Parent/Guardian:

In celebration of Autism Awareness Month, Region 18 ESC encourages students on the autism spectrum as well as other neurodiverse learners to join with a partner or team to create a work of art, music or literature and submit their creative work for an exhibit that will be available for public viewing.

The Family Educational Rights and Privacy Act requires parental permission for publication of personally identifiable student information (first name, grade, school and district label affixed to front of artwork).

Please sign below to give consent for the display of your child’s exhibit of artwork, student project, classroom and/or teamwork project. By signing the form in the space below, your child’s school will document your consent for your child’s work to be publicly displayed at the ESC Conference Center and online at go.esc18.net/autism2020 and/or social media. Thank you for your cooperation.

Student’s Name: ________________________________________________________________

School: ________________________________________________________________

District: ________________________________________________________________

I, ___________________________________, am the legal parent/guardian of the above named child and have received and read the information above regarding display options. I give my permission for my child’s project(s)/art work to be exhibited publicly.

Signature of Parent/Guardian: ____________________________________________ Date: ____________________
