

All returning students and new students to Ector County ISD, if you need busing and think you are eligible please go to the ECISD transportation web page (<https://www.ectorcountyisd.org/Domain/193>) and click on the school bus registration link.

You will need: (Incorrect information will slow the process.)

- Your student's ID number
- Student name
- Parent/guardian email address
- If they are attending a magnet school.

Please submit a different form for each student.

Information given to school will be used for bus routing information.

On the Transportation web page, you can find operational guidelines, school bus safety tips, a school boundary viewer, and parent release forms.

If your student is under 10 years old and you want them dropped off without a parent present, you will need to fill out a parent release form and get it to transportation.

Pre-K students at Lamar and Carver, parents will need to contact the school to set up busing for your student.

Special Needs Students. If your student's IEP indicates special transportation, the Special Needs Department will communicate with Transportation to set up busing.

Busing information will be emailed/mailed the week before school starts.
