Pre-K 4 Benefits and Information

Pre-K 4 Full Day Program

High-quality preschool is designed to set up young scholars for future academic, emotional, and social success. Preschool provides a foundation for learning both socially and academically that will help your child succeed in elementary school.

In Pre-K 4, students will learn in a child-centered environment with intentional, themed-based activities. All instruction will be adapted for special needs and dual language learners. Students will experience joyful learning through high-interest topics and materials, songs, stories, rhymes, finger plays and games. Instruction is designed to cover all Pre-K Domains with a special emphasis on social-emotional development.
