1st.

According to the Texas State Plan for the Education of Gifted and Talented Students...

A minimum of thirty (30) clock hours of professional learning that includes nature and needs of gifted/talented students, identification and assessment of gifted/talented students, and curriculum and instruction for gifted/talented students is required for teachers who provide instruction and services that are a part of the district's defined gifted/talented services. Teachers are required to have completed the thirty (30) hours of professional learning prior to their assignment to the district's gifted/talented services (19 TAC §89.2(1)).

and

Teachers who provide instruction and services that are a part of the district's defined gifted/talented services receive a minimum of six (6) hours annually of professional development in gifted/talented education that is related to state teacher education standards (19 TAC §89.2(3) and TAC §233.1)
