 - Students are encouraged to monitor their attendance throughout the school year.

FINAL EXAM POLICY FOR AP/DUAL COURSE

A student must take the AP/IB exam in order to exempt a teacher's final exam. If the student does not sit for the AP/IB exam then he/she must take the teacher's final exam for the class. If a student does take the AP/IB exam then he/she must still meet all the same grade, attendance and discipline requirements that are in effect for non-AP classes.

No final exam exemptions allowed for Online/Dual Credit Courses. Students who met the exception still have an opportunity to take their final exam to increase overall average.
