In the image, there is a document titled "Incoming Learner Application (2021-2022)". The document outlines the process for submitting an application to George H.W. Bush New Tech Odessa High School, including specific requirements for the application and details about the admission process. The document provides instructions for filling out the application, including sections for demographic information, parental contact information, and academic records. It also highlights the importance of visiting the NTO’s website and notes that applications will be considered based on legibility and completeness of the submitted forms. Furthermore, it mentions that applications will be placed on a waiting list if all available spots have been filled, and incomplete applications will be placed on hold until a complete application is submitted.
Admission Policy of Acceptance

Please note that admission to NTO shall be open to all learners. NTO is an equal opportunity campus, all applications are reviewed without regard to race, color, national origin, creed, gender, ethnicity, or disability. Learner’s identification does not alter or deter in any way from admission to NTO. The following information is necessary to best meet the needs of your learner.
