

RAINBOW ROOM CHRISTMAS

Reagan's annual Rainbow Room drive will be from Wednesday, November 29th through Thursday, December 14th – this is something that that All Stars have been doing for over 25 years!

Each child is encouraged to bring a donation for the children in our community who come into the care of Child Protective Services.

The Rainbow Room is a supply storehouse for CPS workers where they find **brand new** items of clothing, food, and other supplies needed by children who must be removed from unsafe situations. Please take your child shopping for items from the suggestions below for the appropriate grade level. Any food items must be non-perishable (no glass containers, please). We ask students to bring them to the classroom any time between now and the delivery date of Thursday, December 14th. Each class will present their gifts on that day.
