PARENTAL INVOLVEMENT POLICY 2019-2020

The goal of Wilson & Young MS parental involvement policy is to promote a school-home-community partnership that will help all students in the school succeed. The administrators, teachers, and staff believe that parents are partners in the education of their children and that parental involvement and empowerment are essential at all levels throughout the school career of all students.

- Wilson & Young MS will involve parents in the joint development of the Title I plan and the process of school review and improvement.
- An adequate number of parents will work collaboratively with the campus committee in an organized, ongoing, and timely way, in the planning, review, and improvement of the Title I program.
- Annually, the school will have an informational meeting for all parents regarding the Title I program.
- Parents will be provided with the school performance profiles and assistance with interpreting their child’s individual assessment results.
- Parents will be provided with opportunities for regular meetings to formulate suggestions, share experiences with other parents, and to participate in decisions relating to the education of their children.
- Parents will be informed of any tutoring provided to students who are having difficulty academically. Tutoring will be provided before, after, and during school by teachers or other tutors.
- Parents will jointly conduct an evaluation of the content and effectiveness of the parental involvement policy and revise as necessary.
