ClassLink solves the problem of too many passwords, and too many files scattered about. It's a one click single sign-on solution that gives students access to everything they need to learn, anywhere, with just one password. Students will access their online learning through the ClassLink dashboard.

To Access ClassLink:

1. Go to the ECISD web page, https://www.ectorcountyisd.org/ and click on Parents & Students at the top of the page.
2. Under Important Links on the right-hand side click ClassLink.

3. On the ClassLink sign-in page click the green "Click to Sign In" button.

4. On the login page login with your district account.

   STUDENTS:

   Username: ID#

   Password: K-4th Grade: ID#

   5th – 12th Grade: The student created password.

5. You should now arrive at the ClassLink page where you can access your programs. Programs with a key will ask the student for their username and password for that program. If you need login help, right-click the app and choose "More Info."
