
Logging into Pearson EasyBridge™ for Teachers and Students

Welcome to Pearson EasyBridge™! This document contains instructions for you to sign into and access digital resources for:

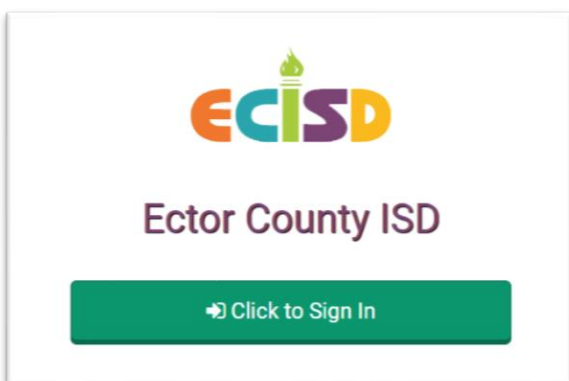

Accessing Pearson EasyBridge

ClassLink Portal

1. Go to the ECISD web page, <https://www.ectorcountyisd.org/> and click on [Parents & Students](#) at the top of the page.
2. Under Important Links on the right-hand side click [ClassLink](#).

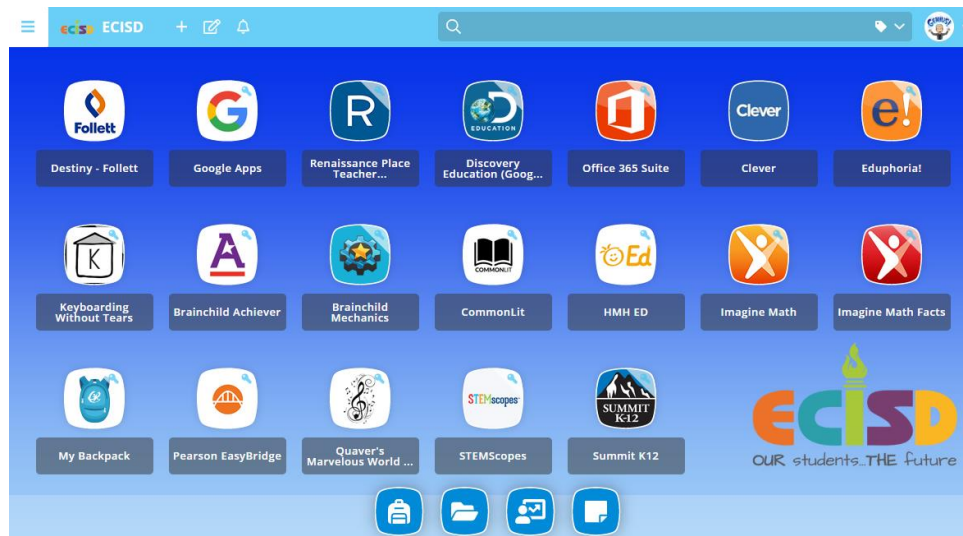

3. On the ClassLink sign-in page click the green "Click to Sign In" button.

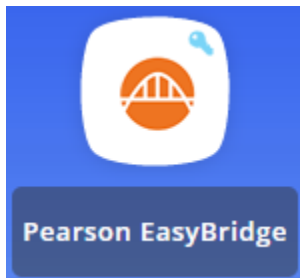

4. On the login page login with your district account.
 - a. **STUDENTS:**
 - i. USERNAME: ID#
 - ii. PASSWORD: K-4th Grade: ID#, 5th-12th Grade: The student created password.
 - b. **STAFF:**
 - i. USERNAME: first.last
 - ii. PASSWORD: Staff created password

5. You should now arrive at the ClassLink page where you can access your programs. Programs with a key will ask the student for their username and password for that program. If you need login help, right-click the app and choose “More Info.”

Find and click the “Pearson EasyBridge” link.

6. Login

Teacher

USERNAME: email address

PASSWORD: 9 digit employee ID#

Student

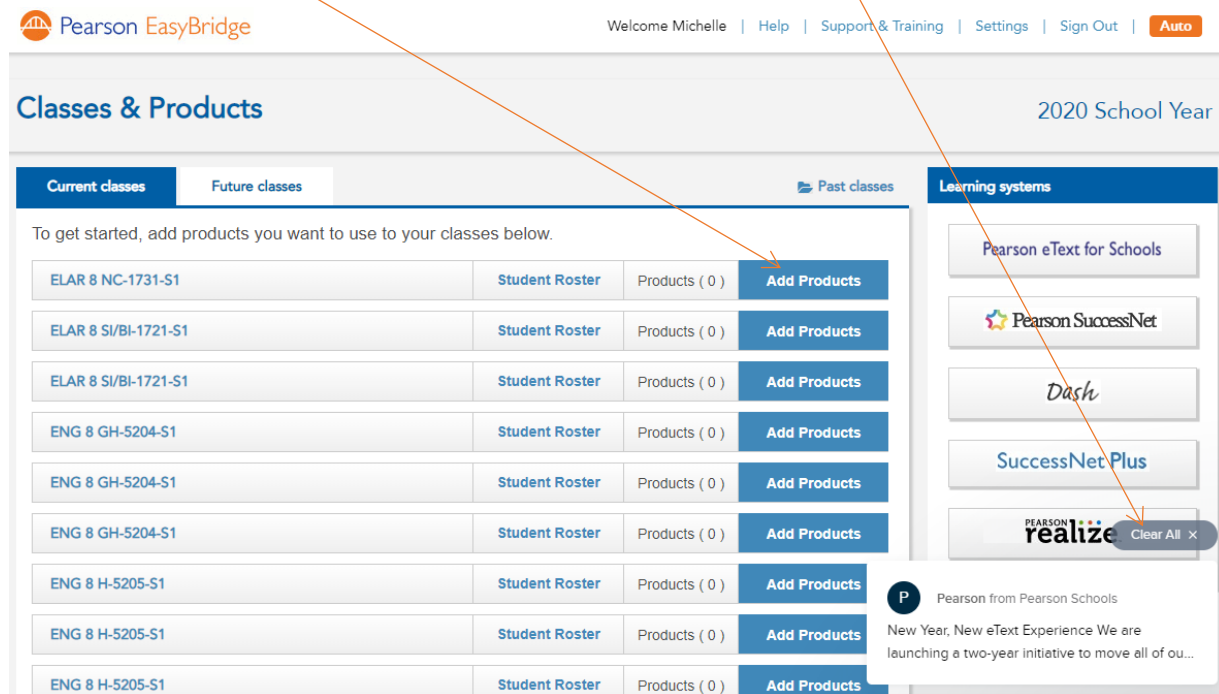

Username: ecisd + (STU_ID)

Password: Last initial + MMDDYYYY

TEACHER DIRECTIONS – Setting up your classes

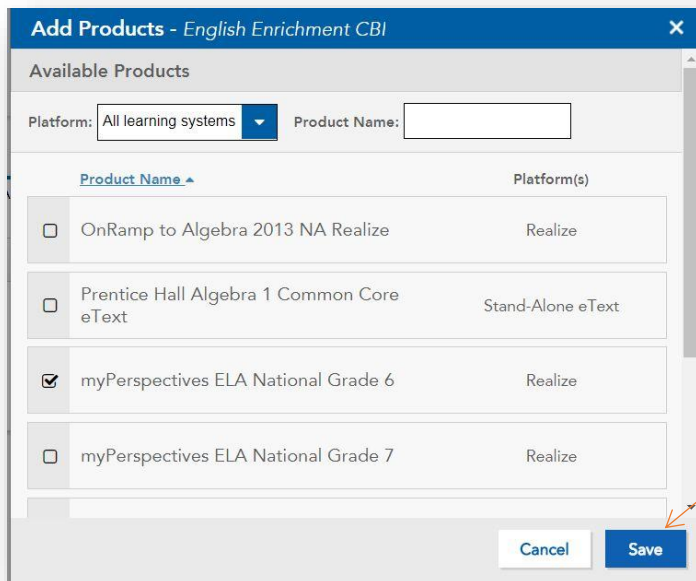

You should now be in the EasyBridge Classroom. Select **"Clear All"** to remove the messages.

Select **"Add Products"** for the appropriate classes.

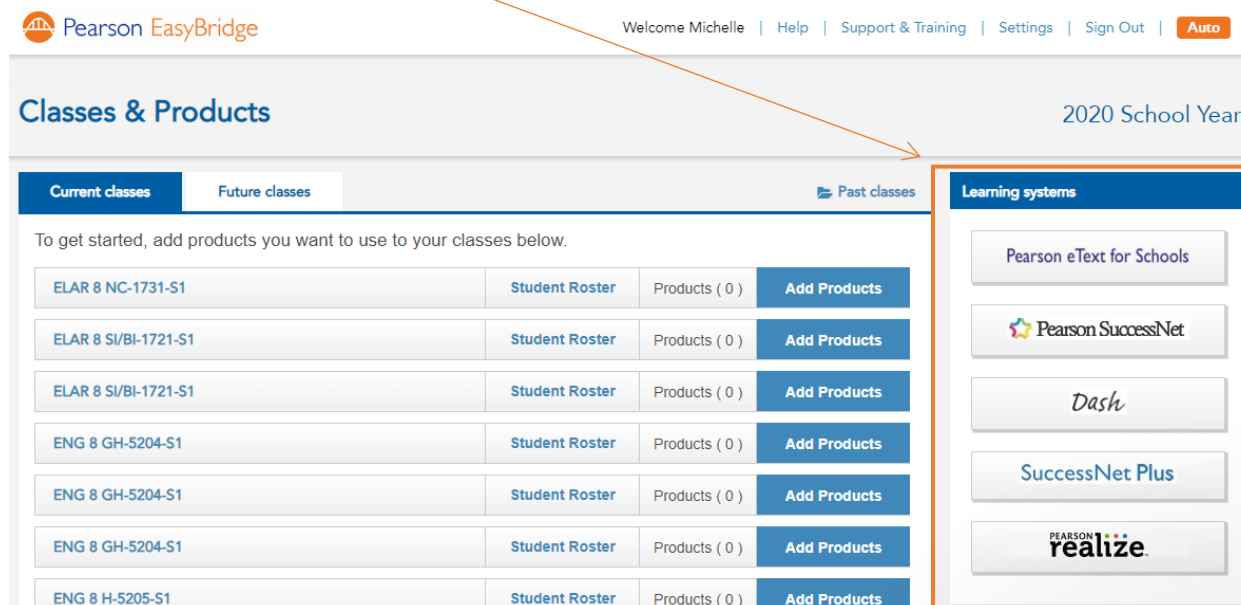

The screenshot shows the 'Classes & Products' page for the 2020 School Year. The page has a header with the Pearson EasyBridge logo and navigation links. The main content area is divided into 'Current classes' and 'Future classes' tabs. Under 'Current classes', there is a table with columns for 'Class', 'Student Roster', and 'Products'. The table lists several classes, each with an 'Add Products' button. An arrow points to one of these buttons. To the right, there is a 'Learning systems' sidebar with buttons for 'Pearson eText for Schools', 'Pearson SuccessNet', 'Dash', 'SuccessNet Plus', and 'Pearson realize'. An arrow points to the 'Clear All' button next to the 'Pearson realize' button. A notification banner at the bottom right mentions 'Pearson from Pearson Schools' and a new eText experience.

A list of products will pop up. You can filter this list by choosing your Platform (Realize or Pearson SuccessNet). Put a check in the box next to the product you are adding to the class and click **Save**.

The screenshot shows the 'Add Products - English Enrichment CBI' dialog box. It has a title bar with a close button. Below the title bar, there is a section for 'Available Products'. This section includes a 'Platform' dropdown menu set to 'All learning systems' and a 'Product Name' search box. Below this, there is a table with columns for 'Product Name' and 'Platform(s)'. The table lists four products: 'OnRamp to Algebra 2013 NA Realize', 'Prentice Hall Algebra 1 Common Core eText', 'myPerspectives ELA National Grade 6', and 'myPerspectives ELA National Grade 7'. The 'myPerspectives ELA National Grade 6' product is selected with a checked checkbox. At the bottom of the dialog, there are 'Cancel' and 'Save' buttons. An arrow points to the 'Save' button.

Click on the Learning Systems for the product you use.

Elementary Teachers

You will now setup your Realize background. Please DO NOT add additional courses in this step. You will not be able to remove them later.

HELLO STEP 1 **STEP 2** STEP 3 STEP 4 STEP 5 DONE

WHAT PROGRAMS DO YOU TEACH?

Add programs below and assign content from them to your students. To give students access to a complete program, add the program to your class in EasyBridge. If you already selected programs for your classes in the system, they are checked below.

☐ OnRamp to Algebra 2013 NA Realize
 ☐ myPerspectives ELA National Grade 7
 ☐ myPerspectives ELA National Grade 9

☒ myPerspectives ELA National Grade 6
 ☐ myPerspectives ELA National Grade 8
 ☐ myPerspectives Plus ELA Grades 6-12
