FOR IMMEDIATE RELEASE

ECISD joins with Medical Center Hospital to offer pop-up vaccine clinics

In May, the U.S. Food and Drug Administration expanded the emergency use authorization for the Pfizer-BioNTech COVID-19 Vaccine to include adolescents ages 12 through 15. With the Governor's Executive Order removing the mask mandate, ECISD recognizes the importance of making vaccines available to any student who is eligible and whose parent would like their child to receive the vaccine.

In partnership with Medical Center Health System, ECISD will be hosting several pop-up COVID-19 vaccine opportunities at middle school summer learning sites for our students (ages 12 and older), whether or not they are enrolled in summer school, and any staff. Vaccination numbers are limited, and parents must be present for students to be vaccinated. No appointment is necessary and the vaccines will be given on a first come, first served basis.

The dates, times and locations of the pop-up clinics are:

Wednesday, June 16, 9:00 a.m. to 12:30 p.m. at Bonham Middle School – bus lane outside the cafeteria

Wednesday, June 23, 9:00 a.m. to 12:30 p.m. at Crockett Middle School – north side of the building,
Bus/Parent pickup area

Wednesday, June 30, 9:00 a.m. to 12:30 p.m. at Wilson & Young Medal of Honor Middle School – outside of E Wing

Parents can contact the summer school nurse at each of these schools for more information about the vaccine clinics.

For more information about this release contact ECISD Communications at 432-456-9019.
