Parents,

To ensure the safety of all our students, we have *cafeteria* rules that are in place. Please review the following *cafeteria* rules with your child:

- Parents can ONLY eat with *their* child at the parent table; other scholars may NOT take their trays to the parent section to eat with friends.
- Scholars, whose parents come to eat with them, MUST get in line with their class when their teacher comes to pick their class up.
- Peanut butter and other peanut products are NOT allowed. We are a peanut free campus
- Due to the cooking ingredients, the following restaurants are NOT allowed: Chic-Fil-A, Long John Silvers, Five Guys Burgers
- Parents must check into the office when coming to eat lunch with their scholar.
- Parents must go through the office after eating with their scholar and NOT through the double doors leading out to the front foyer.

Thank you for making Hays a safe environment for all our scholars.
