Welcome to our Blue Wolf Family!!!

We are so excited to start school and see you in person!

You are a 9th grader who has chosen the HYBRID schedule.

PLEASE READ CAREFULLY!

• Due to OCA not receiving new Chromebooks until late August or early September, all 9th grade HYBRID students will attend school every day so we can keep you on track with your assignments. The classes will be very small. After your Chromebook arrives, we will go back to the Hybrid schedule, but that may not be until September.

• 77 9th graders chose the HYBRID schedule. (OCA totals... 213 Hybrid / 148 Remote-Virtual)

• 38 9th graders chose VIRTUAL LEARNING and will not be on campus. Those students will remote in to each class period to participate.

• You will report to the Deaderick Auditorium on Wednesday, August 12th, by 8:00 am to receive your schedule. Doors open at 7:30 am. A map has been provided so that you will know where to be dropped off and where to go. OCA teachers will be outside and will help you get you to the auditorium. Being that you are on campus, you will not receive your schedule early. You will receive it the first day of school, like you normally would.

• The Deaderick Auditorium is HUGE (holds over 500) and the 76 9th grade students will be at a safe distance from each other to receive their schedule in the auditorium.

• Parents cannot escort their student or sit with them in the auditorium. You are in high school and turning into a young adult. OCA teachers will be there to help you with your questions and let you know where to go for your classes.

• You will continue this schedule everyday (and for the next several weeks) until your Chromebook arrives.

• Please go over the bell schedule on the back side of this page. Remember your mask every day. It must be worn at all times. Please bring your backpack and school supplies.

• We are SO EXCITED to see you the 1st day of school on Wednesday, August 12th! GO WOLVES!!!
Welcome to our Blue Wolf Family !!!

We are so excited to start school and see you virtually!

You are a 9th grader who has chosen the Remote Learning from Home schedule.

PLEASE READ CAREFULLY!

• Due to OCA not receiving new Chromebooks until late August or early September, all 9th grade REMOTE LEARNING students (there are 38) will pick up a used Chromebook from OCA on Tuesday, August 11th, from 8:00 am – 5:00 pm, in our main office. It will be a come and go.

• When you pick up your Used Chromebook, you will also pick up your student schedule and Google Classroom Codes to log in your classes beginning Wednesday morning.

• There will be directions with the Used Chromebook on how to get to OCA’s Google Classroom for all teachers, all subjects, and all class periods.

• OCA is providing the Google Class Codes on the back of this page as a preview. Another copy will be provided when you pick up your Used Chromebook.

• 38 9th graders chose REMOTE LEARNING and will not be on campus. This is YOU. You will see your classmates virtually. You will remote in to each class period to participate virtually. You will be marked present when the teacher sees you online. Please remote in on time to each class. (OCA totals...... 213 Hybrid / 148 Remote-Virtual)

• 77 9th graders chose the HYBRID schedule and will come to school everyday until their Chromebook arrives. You will see them in class virtually from home.

• OCA teachers will help you with your questions as you participate in each class.

• You will be notified when your new Chromebook arrives. It will be late August or early September before it arrives at OCA.

• We are SO EXCITED to see you VIRTUALLY on the 1st day of school on Wednesday, August 12th at 8:00 am!! GO WOLVES!!!
**UPDATED OCA 9th Grade / Opening of School / August 12 – 28, 2020**

**UPDATE AS OF AUG 6, 2020** – With so many 9th graders choosing Virtual Learning and staying home each day, AND OCA learning that our Chromebooks will not arrive until at least the 3rd week of school (could be longer), OCA has decided that ALL 9th graders who chose the HYBRID model, will attend school every day beginning August 12th. With only 77 9th graders on campus, it will be easy to keep classes small and less than 50% capacity. As soon as we receive the new Chromebooks, we will deliver them to our 9th graders on campus and have parents pick them up if their 9th grader is taking classes virtually from home. We will move to a hybrid schedule only if every 9th grader has a Chromebook. 9th Grade A Day Group and B Day Group will be announced once we receive the Chromebooks.

**NOTE** – OCA 9th Grade will NOT begin college classes until 2nd semester. This gives 9th graders time to adjust to OC procedures, take the TSI exam in the Fall, and learn Google Classroom, Google Meet, and Blackboard online.

If OCA does not have Chromebooks for their students on the week of August 24th, OCA will continue the same schedule they followed for the first 8 days of school. This schedule allows all 9th graders to learn every day and ease into our normal schedule while at 50% capacity each day. This schedule is different than OHS/PHS/NTO. Our OCA opening schedule helps us prepare our students for the college block schedule of 4 classes each day on the Odessa College campus.

What a Day in the Life of an OCA Student at OC will look like 😊

STUDENTS MUST WEAR A MASK THAT COVERS THEIR MOUTH AND NOSE WHILE THEY ARE AT ODESSA COLLEGE. THIS INCLUDES OUTSIDE ALL BUILDINGS, INSIDE ALL BUILDINGS, AND INSIDE ALL CLASSROOMS. THIS IS REQUIRED IF YOU WANT TO BE ON THE ODESSA COLLEGE CAMPUS AND ATTEND CLASSES.

Before 8:00 am and Before School: (wearing a mask)
• Report to the building nearest your first morning class (most likely Deaderick Hall) and have your temperature checked and receive a wristband for your campus pass for the day. This is required by Odessa College of all persons on campus, Monday – Friday. Wristbands are different colors each day.

Classes begin at 8:00 am: (wearing a mask)
• Students must be on time. Teachers will greet them at their door, check for the wristband, then give each student some hand sanitizer.
• Students will sit in their assigned seat. Desks will be 6 ft apart, with only 12-14 desks in each room (50% capacity).
• Students will help the teacher wipe down their desk at the end of class (like a Clorox wipe).
• Dismissal will be staggered so the halls are not crowded. (10 minute passing periods). Students will walk 6 ft from each other for social distancing.
• This process will repeat itself for their 9:30 am, 11:00 am, 12:30 pm lunch, and their 2:00 pm class.

Lunch: (wearing a mask to and from)
• Lunch is CLOSED CAMPUS FOR ALL STUDENTS 9TH – 12TH GRADE.
• Students will report to their Lunch / Advisory teacher by 12:30 pm.
• At their assigned time, students will be escorted by their teacher to Travis Hall to pick up either the FREE ECISD Grab and Go lunch or purchase (around $6) a Grab and Go from Great Western Dining, which is the contracted food service for Odessa College. Great Western Dining services will begin August 24th.
• Fridays will only be the ECISD free food service. No Great Western Dining services on Fridays.
• Students will be escorted back to their lunch classroom to eat lunch (can take off masks at that time)
• Students may bring their lunch from home with them in the morning. Parents cannot drop off lunch (fast food) at lunch time.

Dismissal: (wearing a mask)
• Students will be staggered for dismissal from 3:20 – 3:40 pm each day to avoid crowds in the halls and outside.
• Parents will pick up their student at that time and leave for the day. Students must be picked up by 3:45 pm. Parents cannot be late.
• There are no after school activities. The OC Game Room is closed. The OC Sports Center is closed. There is no place for students to “hang out” after school and Odessa College will not allow students to hang out after school to visit.
• Students who drive will walk straight to their vehicle, get in, and safely go home.

TURN PAGE OVER FOR WHAT A VIRTUAL DAY WOULD LOOK LIKE
What a Day in the Life of an OCA Student will look like when they are home and working virtually... 😊

Both Hybrid OR at Home 100% of the Time

When students are working from home virtually, they are still in school from 8:00 am – 3:40 pm each day. Students cannot work (a job) or sleep-in during this time. Their job is school during this time and they will report to each class virtually on time. IMPORTANT – This is how OCA counts attendance for students who work from home. Those who do not login to each class on time will be marked absent.

Before 8:00 am:
- Students are to be up between 7:00 and 7:30 am. Get something to eat. Have some coffee or juice.
- Get dressed in something school appropriate to be seen. T-shirts and shorts are acceptable.
- Students turn their Chromebook on and have it ready for class. Go ahead and login before 8:00 am
- You will see the class and they will see you at home.
- Choose a place at home to do schoolwork like a table or desk. NOT your bed.
- Being that you are on your laptop all day, you need to keep it plugged in all day. Use an extension cord if you need it for room.

By 8:00 am and while all Classes are going on during the School Day:
- Students in class will see you at home. You will see the class. You will be able to hear each other, too.
- Students from home will be marked present when the teacher sees them online.
- Students who do not login and not seen by their teacher will be marked absent.
- Students from home will participate in class. Teachers will ask you questions. You will answer questions. You will be able to ask questions. You will be able to participate with the students in class.
- This is just like regular school. You will participate with the class like you were sitting in the class, but you are actually sitting at home.
- You will get a 10 min break in between classes that you will log off, then login to your next class.
- Class times are 8:00 am, 9:30 am, 11:00 am, 12:30 pm, and 2:00 pm.
- Lunch is at 12:30. You will not have to check in to Lunch Class. You will have the whole 80 minutes for yourself at home.
- Begin preparing for class after lunch about 1:50 pm.
- Your last class is at 2:00 pm. When the class dismisses around 3:20 pm, you can then log off. You can only do this when the teacher tells you to log off.

Friday Classes:
- Most of your Friday classes will be virtual beginning August 28th
- The school day begins at 8:00 am on Friday
- Each class will be 35 minutes. You will have to login on time to each class to be marked present.
- Friday classes end at 2:40 pm
- You will not login for lunch
