Nurse Brittany Riveria graduated from Odessa College with her Associates in Applied Science for Nursing and is currently working towards her Bachelors in Nursing.

Nurse Riveria has worked in many different areas of Nursing but School Nursing has been a favorite! It is a very different aspect of Nursing and although it can be difficult at times it has been very rewarding and eye opening.

When she is not at work, Nurse Riveria loves crafting, traveling, being with her friends and family, and especially loves watching her children play sports!

Hi parents & students!

My name is Ms. Williams and I’ve been teaching at Burnet Elementary for eight years. I have a Bachelors in Science with a major in Early Childhood Education and a minor in English. Hi everyone! I am Ms. Bryson, Kinder teacher. I graduated with an HDFS degree from Texas Tech. I’ll be graduating in a year from UTPB with an educational and clinical masters in counseling. I’ve been teaching Kindergarten at Burnet for the last 5 years and my absolute favorite thing about teaching Kinder is watching their eyes light up when they learn something new and exciting.
