Under TEXAS law and in order for a teacher to be paid promptly, the attached service record must be fully completed.

Please use a separate line for each year of service.

The certifying official will sign on each line. The signature of the certifying official must be that of the Superintendent, a trustee, or the authorized designee appointed for certifying records.

Ditto marks or rubber signatures are not allowed on the official teacher service record. Original signatures by the certifying official are required on this State Record.

Thank you for helping us maintain accurate service records.
