

## GENERAL SUPPLY LIST FOR OCA

- **NEW FOR 2022-23 ..... WIRELESS MOUSE OR CORDED MOUSE FOR LAPTOP. OCA HAS LEARNED THAT THE TOUCHPAD ON THE LAPTOP CAN WEAR OUT IF OVERLY USED. MOST STUDENTS USE A WIRELESS MOUSE BECAUSE IT IS MUCH EASIER & FASTER TO USE, AND IT EXTENDS THE LONGEVITY OF THE LAPTOP.**
- **Student will need a large, study backpack.** We recommend a large one that will hold their school issued Laptop and other materials including pens, pencils, markers, spirals, and composition notebooks. Students can choose the color and style of their backpack as long as it is big and sturdy enough to hold all their daily supplies. It must be brought to school every day with their supplies.
- **Also, purses, small clutches, or other bags will be limited to those that measure 5 x 8 x 1. No other bags will be allowed to be carried to school, except for the laptop bag that is given to you by the school for your school issued laptop.**
- **Students can choose to wear a mask at school. For those not vaccinated, we highly recommend a mask, but it is not required. We also strongly advise parents to get their high school student vaccinated to prevent the spread of COVID. Getting vaccinated protects our teachers and our students in class. Extra masks will be available for students upon request. Student desks will be sanitized after each class period and hand washing stations will be available in all buildings. Hand sanitizer will be available in all classrooms. Students can bring and keep their own hand sanitizer in their backpacks or purses.**
- **Student Planner – students will be given a free student planner in their AVID class. This is to keep up with all their assignments in their 8 classes. Student planners will be checked and graded weekly to ensure students are keeping organized with all their assignments. If students wish to purchase their own planner, we ask they wait until after they receive their AVID planner, so they will know what to look for in a store bought one.**
