Ector County Independent School District does not discriminate on the basis of gender, age, race, nationality, religion, disability, socioeconomic standing or non-proficiency in English language skills in providing educational services for students' benefit.

Attending school regularly helps children feel better about school and themselves. Good attendance will help children do well in high school, college, and at work.

WHO IS AFFECTED

Kindergarten and 1st grade classes often have absenteeism rates as high as those in high school.

WHY IT MATTERS

If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance.

WHAT YOU CAN DO

Make school attendance a priority.

- Talk about the importance of showing up to school everyday, make that the expectation.
- Help your child maintain daily routines, such as finishing homework and getting a good night's sleep.
- Try not to schedule dental and medical appointments during the school day.
- If your child needs to be out because of a medical appointment, return to school as soon as possible with a doctor's note.
- Don't let your child stay home unless truly sick. Complaints of headaches or stomach aches may be signs of anxiety. If you suspect signs of anxiety, contact the campus principal or counselor.
- Keep up with your child's attendance by checking ECISD's Parent Portal.

TRACK YOUR STUDENT'S ATTENDANCE

Every day counts! The fewer days your child misses, the more they will learn!

When do absences become a problem?
Seven or more for the school year.

Use the calendar in this pamphlet to keep up with your child's attendance.

- Put an "A" on any day your child is absent.
- No school on green days.

If you notice your child is chronically absent, it's time to visit your child's school. Chronic absence is considered 16 or more days in a school year.

Need help with: transportation, medical, clothing, school supplies, child not wanting to go to school, other needs? Call your child's school or the ECISD Community Outreach Center at (432) 456-8569.
